Nina,

Just called your office with William to talk to you about the email below and follow-up discussion I've had with Jes and Steve. Understand you're on the West Coast. Would you be available to speak with us sometime this evening (up until 1030pm NY) or tomorrow before you catch your 9am (NY-time) flight? If tomorrow morning, best to try to chat for at 830 or 845am (NY time) your time since William and I both have meetings at 8am east coast.

Thanks,

Jon

Jeffrey , It should now be apparent to both you and Glenn's own counsel that there is a serious problem . In today's email it states that Glenn now admits to knowing about the Zwirn plane in Sept or Oct of 06.- both before your withdrawal notice of Nov 13.06 . His protestations and rantings at our last meeting, witnessed by his counsel confirmed "Had he known , he would never have convinced you to only put in for your 80 million withdrawal". He is in a box. We know that Schulte Roth was called in in May 06 , so that is really when he first found out. The money for the plane was taken from the Highbridge managed acct. Highbridge was owned my JPM at that time. This is ugly.
